 cosmopak

“Cosmopak is a global cosmetic packaging & turnkey supplier focused on innovation, quality and service.”

Our mission is to provide superior products and service, and to fulfill that promise, Cosmopak operates sales and marketing locations in key markets in the United States and Europe. With years of manufacturing experience and a dedicated QC/QA operation in China, Cosmopak can ensure the highest standards of quality and social accountability.

Cosmopak was founded in 1997 in New York, and grew following the successful launch of its range of flow pens in the USA. We continue to drive growth through a focus on R&D coupled with the continuous expansion of our product line and capabilities. Cosmopak has invested in turnkey services through partnerships with USA based cosmetic fillers.

Product range

Our sales and marketing team work collaboratively with clients to create on-brand custom packaging. Cosmopak showcases its stock product range on cosmopak.com. With over 2,000 products in 7 categories, we make it easy for clients to find the right item for their line. We also have extensive experience creating custom, one-of-a-kind items combining our clients' vision with our expertise in innovation.

Our experience

Cosmopak produces for a wide range of customers, from multi-national cosmetic companies to direct-to-consumer internet brands. We have completed successful launches for highly visible firms in the cosmetic, fragrance, skincare and retail categories.
